## **Oregon Employees Federal Credit Union Joins Credit Union 24 Network**

**TALLAHASSEE, Fla.** – November 12, 2009 – Credit Union 24, the country’s largest credit union-owned ATM and point-of-sale (POS) network, announced today that Oregon Employees Federal Credit Union (OEFCU) has joined its network.

“Oregon Employees FCU is proud to offer unique services like a rewards program that provides incentives to our members for making wise financial decisions,” said Kent White, CEO of OEFCU. “Joining the Credit Union 24 networks allows us to provide our members with convenience and accessibility through over 50,000 surcharge-free ATMs and point-of-sale at retailers nationwide, allowing members to access their accounts more easily, enhancing their overall rewards package.”

Founded in 1964, OEFCU has more than 9,000 members with more than \$90 million in assets. The credit union’s rewards program provides members with points every time an OEFCU credit or debit card is used for signature-based purchases. The points can then be redeemed for merchandise, travel rewards and rebates, gift cards, or charitable donations. OEFCU also offers a similar service to its young members. Youth members receive a prize for every deposit into an account, and teenage members receive a punch card, which provides them with a gift card for every \$200 they deposit.

“Oregon Employees FCU reinforces the lasting positive effects members receive from being rewarded for smart financial decisions,” said Jim Park, president and CEO of Credit Union 24. “The credit union invests in its members’ futures by fostering financial growth, instilling positive saving behavior among members of all ages, especially youth members, to make decisions that increase their financial well-being for the future.”
