Newly Launched Realtors Federal Credit Union Joins Credit Union 24 Network

Nation's Only Virtual Credit Union Joins Nation's Largest Credit Union-owned Point-of-Sale and Surcharge-free ATM Network

TALLAHASSEE, Fla. – June 17, 2009 – Credit Union 24, the country's largest credit union-owned ATM and point-of-sale (POS) network, announced today that the nation's only completely virtual credit union, newly launched Realtors Federal Credit Union, has joined its surcharge-free ATM and participant-owned POS network to enhance its internet-based financial services.

"Members of Realtors FCU have unique financial and cash-flow requirements, and our partnership with Credit Union 24 enhances our offerings as a financial services provider designed specifically with realtors' needs in mind," said Tom Glatt, President and CEO of Realtors FCU. "Credit Union 24 provides the same flexibility and customizable financial programs and services that work best for our members' unique needs."

Realtors FCU, launched on May 1, 2009 and headquartered in Rockville, Md., recognizes the special financial service needs of the National Association of Realtors' (NAR) 1.2 million members. Realtors FCU serves NAR members exclusively, one of the credit union industry's largest fields of membership, and works in partnership with NAR as a REALTOR Benefits® Program Partner. Realtors FCU's convenient internet-based services include money market savings accounts, real estate loans, no-fee eChecking with debit cards, personal loans and credit lines, share certificates and 24-hour Member Care customer support.

"Credit Union 24 compliments Realtors FCU's virtual network with thousands of ATMs and POS terminals nationwide," said Jim Park, President and CEO of Credit Union 24. "Credit Union 24 mirrors the Realtors FCU philosophy of member-driven control, and our partnership will enhance the financial power and reach of both entities to the benefit of credit union members nationwide."

As the largest credit union-owned POS network in the nation, the Credit Union 24 network provides increased interchange income for credit unions, in addition to surcharge-free ATM access at more than 50,000 nationwide locations for those credit unions' members. In Q4 2008, Credit Union 24 announced a 20 percent increase in interchange income for its participants, along with savings of more than \$30 million in ATM surcharge fees throughout 2008. These exceptional results combined with flexible service options allow credit unions to provide an enhanced ROI for their members through increased consumer savings.
